## *The Prez Sez*

The Prez,

Our son Kelly and our daughter-in-law Erin recently celebrated five years in successful business at Canyon Physical Therapy & Aquatic Rehabilitation in Prescott Valley by taking a vacation to the U.S. Virgin Islands. Linda & I were very lucky to be invited to come along. During our trip we were a little concerned when, as we were entering the airplane from the gangway at the Phoenix Airport, we overheard two airport workers who were looking at a computer screen discussing the loading (weight) capacity of the airplane saying “there are too many cadavers loaded in the tail section of the plane and they (cadavers) needed to be distributed evenly throughout the planes luggage areas”. Well, with this thought in mind during our flight, we did make it safely to Charlotte, NC and were glad to get off this airplane. For the next leg of our trip, we transferred to the airplane flight to San Juan, Porto Rico. As we sat in our seats waiting for all the passengers to load, we overheard a flight attendant joking with another passenger in front of us stating “if you smell smoke or see fire – GET OUT”, which we didn’t think was very funny at the time. At that point we tightened our seatbelts a little more and made sure we knew where our floatation devices were located. Upon arrival in San Juan, we were also happy to get off this airplane. For the last leg of our travel from San Juan to St. Croix, we boarded a smaller 2 prop. airplane and were all glad when our long 3,300 mile one-way trip was over. We all ended up having a great vacation, and returned a little more tan but travel weary after the three-leg 3,300 mile trip back home.

As you contact our Car Show Sponsors, don’t forget to ask them if they would like to include their business promotional material or business cards in the 150+ participant goody bags. Please let me know how your Sponsor sign-ups are coming along, by our next meeting on February 1<sup>st</sup>. Thanks to all of you for your help and support with pulling our 15<sup>th</sup> Annual Car Show together. We plan on having another great MTSR car show this year.

Keep Street Roddin.....
