May Meeting ~ Wednesday, May 5th ~ Susie's Skyway Restaurant
6:00 pm Dinner ~ 7:00 pm Meeting

Inside this issue:

The Prez sez...

THE CAR SHOW IS UPON US!!

I would like to thank all of you, in advance, for the hard work and effort each and everyone has put forth to make this car show happen and be a big success.

Cruise nite will be setting up at 3:30 in the M&I Bank parking lot on Friday, May 7th. Please remember to bring your chairs for this event. We are also meeting at the same time for the field setup crew for the car show.

Please remember to bring a door prize item to our next meeting. We especially need women's gifts for the show. All items brought will be used. I was able to get 150 pens from the Riverside Casino for the show goodie bags.

At the car show committee meeting we discussed the issue of purchasing food for the show. The idea of having the volunteers get a free meal from the concession stand was approved, as this way we would be helping the school at the same time. This will be discussed further at the May Meeting.

Don't forget all the cruise nights that are now starting up. McDonald's in Chino Valley on the 1st Friday of the Month, Red Robin the second Friday of the Month, Zeke's on the 3rd Friday of the Month.

Speaking of cruise nights and events, don't forget about taking some cars to Affinity RV on Sunday, May 2nd. Also we need cars for FooteWork in P.V. Time and date for this event will be confirmed at the next meeting.

Also a reminder the car races are Saturday night, May 1st. Lets have a big turn out and have some fun. Remember to bring Warm Jackets and a blanket, it does get chilly at night.

Remember, we are still collecting canned goods at our meetings for the Food Bank.

Support our Sponsors....

MTSR club members are encouraged to not only frequent those businesses that sponsor our annual car show, but to take a moment to seek out the owner/manager and introduce yourself as a club member. Thank them for their continued sponsorship. Not only does a simple thanks go a long way in maintaining relationships with our sponsors, but during tough economic times, the knowledge that sponsorship is a win-win makes good business sense!
