The Prez sez...

Prez sez...

Well it is car season again. Just came back from Moab and they're gearing up for their car show next week and things are in full swing. Saw a number of cars on the highway heading there on my way home. This Sunday is the open house at Affinity RV. They have been great supporters of our club for many years, so a good turnout would be appreciated. The trash pickup was well attended with 14 club members working hard to keep Prescott beautiful. Roger scored 4 or 5 hubcaps for his collection and some of the pickers went to Casa Grande [club sponsor] afterward for a bite to eat. Thanks to those who made this work into a pleasant task.. I missed Judy's Rod Run this month, but I heard that everybody, 16 MTSR members, had a nice lunch then had fun either at the baseball game or taking a nice hike in the area.. Thank you Judy. It's time to start thinking about running for office. Yes, it's time for us to get some new blood in charge of the MTSR organization. If you think you want to participate, just let a current officer know and we'll add your name to the roster for a vote at the July Picnic. I am amazed and excited at the amount of work the dedicated team members have put into the preparation of the MTSR Car Show. It's wonderful to be part of a group who tirelessly and without applause, have worked so hard to make this up-coming show the huge success that I know it will be.
